MEMORANDUM FOR: CHIEF, POLITICAL AND PSYCHOLOGICAL WARFARE

SUBJECT: Daily Log.

PGFIEND.

The [] reports that the balance of the PSYCH team which was ambushed only 2 hours after infiltration on the night of 16/17 August has successfully exfiltrated from Albania. The morale of this 5-man group remains high, and it is planned to reinfiltrate them during the next dark-of-the-moon phase. ([] 4527, IN 12406, dtd 21 August) (Log, dtd 21 August)

[] reports that on the night of 22/23 August a successful overflight of Albania was accomplished for the purpose of dropping defection-appeal leaflets addressed to military and civilian officials in the Albanian government and the releasing of a flare of recognition to a purported resistance leader whose name, location, etc. had been provided by a recent escapee. A technical interrogation of the escapee is being conducted, in the hope that exploitation of the alleged escapee's resistance net may prove possible.
